EXPERIENCE

Karisimbi Tech solutions, Kigali — *Frontend developer*

June 2023 - PRESENT

As a Front End Developer at Karisimbi Technology Solutions, I led the design and implementation of user-friendly interfaces for healthcare platforms, utilizing NextJs, Typescript, and Tailwind css.

Andela, Kigali — *Software Engineering*

November 2022 - September 2023

I have received training in both technical and professional skills enabling me to develop various websites and platforms at a professional level. I have worked with different technologies, including Typescript, NextJs, ReactJs, TailwindCss, NodeJs, ExpressJs, GraphQL, Prisma, Postgres, and MongoDB. In addition to these technical skills, I have also honed soft skills such as team leadership and professionalism.

EDUCATION

University of Rwanda , Kigali — *Bachelor in Computer and Software Engineering*

January 2020 - January 2024

I acquired technological skills related to computer and software Engineering through my studies at the University Of Rwanda. I learned C++, Java, React Native, Laravel , PHP, Networking and gained knowledge in electronics-related concepts.

Es. Kanombe, Kigali — *Rwanda Advanced Certificate of Education*

January 2017 - December 2019

I am certified in the basics of Mathematics, Physics, and Computer Science.
